SUPPORTERS

Landtribe raises further funds by asking people to support the ecological nursery & planting plans for each 3m x 3m block of land (9 m²) for a £9 donation/gift.

Supporters can Donate/Gift as little as £9 (9m²) to receive the quarterly blog and first access to early bird tickets for events, courses and workshops. They also receive a Supporter Discount on the ecological serviced accommodation.

FARMERS

Landtribe leases 30% of the total project land to regenerative farmers, growers and skilled craftspeople. The income from this goes towards maintenance & repairs of the ecological infrastructure, communal facilities and accommodation.

VISITORS

Landtribe rents the ecological serviced accommodation to guests wishing to visit the project to attend events, courses and workshops. The income from this goes towards maintenance & repairs of the ecological infrastructure, communal facilities and accommodation.
